PROFESSIONAL EXPERIENCE

Shift Manager | Domino's Pizza 2024 – 2025

- Directed daily operations, staffing assignments, and workflow optimization during high-volume shifts averaging 200+ orders, maintaining high service quality and customer satisfaction.
- Managed multiple priorities simultaneously, responded proactively to operational bottlenecks, and communicated critical updates clearly to team members and customers.
- Trained and onboarded 15+ new employees on standard operating procedures, service expectations, and accountability standards.
- Streamlined inventory tracking, daily planning, and resource allocation to reduce waste and keep operations running efficiently.

Direct Support Professional | Divine Home Care and Hospice 2022 – 2024

- Coordinated client support services meticulously while adhering strictly to established care plans, safety policies, and quality standards.
- Built trusted working relationships with clients, families, supervisors, and healthcare professionals to ensure aligned care delivery.

- Maintained accurate, compliant confidential records and communicated real-time service updates, emerging concerns, and solutions.
- Balanced competing priorities while providing dependable, client-focused support in a fast-paced healthcare environment.

LEADERSHIP & ENTREPRENEURIAL EXPERIENCE

Independent Business Owner | Amway 2023 – 2025

- Managed an independent e-commerce business, developed lasting customer relationships, and monitored monthly sales performance against targeted business goals.

PROJECT EXPERIENCE & PRACTICAL TRAINING

Google Project Management Practical Projects | Hands-On Simulation 2025 – 2026

- Developed comprehensive Work Breakdown Structures (WBS) to organize project milestones, deliverables, and granular tasks.
- Created full project planning documentation supporting all phases of the project lifecycle from initiation to closure.
- Applied project scheduling, task decomposition, and milestone planning techniques through rigorous Google Project Management coursework.
- Built reusable planning templates while practicing Agile principles, stakeholder communication, and project documentation best practices.

Selected Academic Project Leadership | SMSU 2022 – 2026

- Planned and managed semester-long business projects using formal project management principles, schedules, team coordination, and deadline tracking.
- Developed comprehensive business plans, marketing strategies, and operations-improvement recommendations utilizing market research and competitor analysis.
- Prepared professional reports and presentations in Microsoft Office and delivered strategic recommendations to classmates and instructors as project stakeholders.
- Collaborated in cross-functional student teams to organize tasks, solve operational problems, and deliver high-quality outputs strictly on schedule.
